People who exercise a lot use up lots of energy. AlpineAire meals are based on a value of about 600 calories per package to cover the increased energy consumption during sports activities. Because of this, our declared aim is the following: The energy that we take in must taste as delicious as possible! The beef meals of AlpineAire are put together with much skill, a shot of imagination, and a splash of passion for adventure.

AlpineAire's delicious Grilled Chicken entrées bring freshly grilled taste right to your campsite. Try our Grilled Chicken Jambalaya or King Pao Grilled Chicken and experience a flavorful and nutritious meal wherever the trail takes you.

Pork Dishes

Our flavorful shredded pork dishes are succulent and satisfying, while adding delicious variety to your expedition meal plan. Some favorites include Pork Jambalaya, Al Pastor and Pork Pad Thai. Enjoy a home-style or restaurant favorite anywhere that you choose!
