Fabric: 160g/m 100% Cotton

Fit Guide

Product Information

- Premium wax cotton supplied by Halley Stevensons
- Dry wax finish makes the Highland Field Coat lightweight, breathable and weather repellent
- The beauty of waxed cotton is its durability and longevity, it's built to last. The densely woven cotton is strong and reliable
- The dry wax finish naturally picks up marks and creases through use, which adds to the character of the fabric itself
- This fabric is washable!
- 5 pockets
- Double entry hand pockets. Drop in pockets with hidden snap closure and side-entry hand pockets
- One interior pocket with zipper closure
- Storm flap closure with premium branded metal snaps on center front, and YKK metal zipper
- Bi-swing shoulder for added mobility
- Underarm grommets for ventilation
- Back vent with snap closure
- Adjustable cuffs with snap closure
- Leather Iconic Bison Patch

TOPS

TECH EXPLAINED
brrr° Fabric Technology

brrr° is a new fabric technology that uses the Triple Chill Effect® to actively reduce the temperature of your skin. Its cooling technology is permanently integrated into the garment fibers and never fades or washes away.

Here's how the Triple Chill Effect works:

COOL TO THE TOUCH

Cooling minerals create an immediate and continuous cooling effect - no chemicals involved.

ACTIVE WICKING

Moisture moves away from your body for nonstop comfort throughout your day.

RAPID DRYING

Stay fresh and crisp. brrr° fabric takes less time to dry, rapidly releasing moisture into the air while cooling the fabric.
